U-HACK @ GOLF

Most tournament formats are individual low net. Some might be scramble, best ball, etc. The format will be announced before a tournament.

Golfer Of The Year (GOTY) points are awarded for individual net finish in flights. There might be cases where gross finishes could be awarded points. See [GOTY](#) for more detail.

The entry fee into the Hole In One kitty is \$10. This one-time fee is good for all tournaments, unless specified, until someone gets a hole in one. See [HIO](#) for more detail.

Only players in a tournament are eligible for blind drawings. Extra chances can be bought for \$1 each. *A player can win only one drawing per tournament.* The money collected from the extra chances will be used to buy a lottery ticket and the balance will go into the Golfer Of The Year (GOTY) kitty. *Every player at that outing share equally in any lottery winnings.*

Payout spreadsheets will be included with every tournament announcement.
